Back	firm	Reaction to Gunshot	steady
Loin	correct	Stranger approach	good
Underline	correct	Play capability	good
View from front	correct	Ring of people	very good
Upper arm angulation	correct	Character Temperament	calm; passive

General remarks Medium sized quality female with a glamorous coat type. Very well constructed all through & a free mover. With an open pedigree she can be mated to a variety of stud dogs. However, attention should be paid to the length of the upper arm. 2 further siblings were surveyed Class 1 on the day. A sire typical female who should be able to produce quality offspring.

Survey Classification 1
