Loin		Stranger approach	
Underline		Play capability	
View from front		Ring of people	
Upper arm angulation	correct	Character Temperament	sound nerve;lively;alert;attentive
General remarks	A large substantial very masculine expressive dog of very good type. Peaiseworthy head and outlook presented in very good condition. Slightly deep in chest but fully matured presented at 4 years of age. Recommended for improvement of heads. Care should be taken with regard to length and placement of croup. Classification subject to Haemophilia test with satisfactory result.
