| Underline | | Play capability | |
| View from front | | Ring of people | |
| Upper arm angulation | steep | Character Temperament | of sound nerve, lively;alert;attentive |

General remarks Over medium size, well proportioned bitch of very good type, firm and dry with sound, spacious movements. Not in coat on day which tends to detract from bone and substance, but a very nice bitch, and very feminine. Would recommend she be mated to a dog with v. good forehead angulation, bone and substance. (R. Allan - 21/07/96)
