Loin		Stranger approach	
Underline		Play capability	
View from front		Ring of people	
Upper arm angulation	correct	Character Temperament	of sound nerve;alert;attentive

General remarks
Ears not firm in movement. Very Good Bitch with construction typical of her breeding. While the forehand is acceptable, it should be kept in mind when breeding to the view of improving. Must be presented at 24 months for official classification. - J. Young (12/05/91). Classification Class 1 confirmed with observation on dentition due to accident of 2nd incisor missing and 1st and 3rd damaged. Has developed very
