| Loin | | Stranger approach | |
| Underline | | Play capability | |
| View from front | | Ring of people | |
| Upper arm angulation | correct | Character Temperament | of sound nerve |
| General remarks | A medium sized medium strong dog of good type and proportions. He has lost his tail in an operation but as a show winner clearly had a tail. Loss of tail may account for some looseness in hock, but he moved well otherwise. No provision for a missing tail in notes but would consider this a Class 1 animal. | | |
