| Undercoat                | present                                     | Forereach              | good                            |
| Proportions in stance    | correct                                     | Hind Drive             | powerful                        |
| Body                     | correct                                     | Gait                   | co-ordinated; falls on forehand |
| Bone                     | strong                                      | Croup                  | short; flat                     |
| Muscles                  | strong                                      | Tail                   | correct                         |
| Wither                   | normal                                      | Tail set               | correct                         |
| Back                     | firm  | Reaction to Gunshot    | steady                          |
| Loin                     | correct                                     | Stranger approach      | very good                       |
| Underline                | correct                                     | Play capability        | very good                       |
| View from front          | correct                                     | Ring of people         | very good                       |
| Upper arm angulation     | slightly steep                              | Character Temperament  | calm; confident                 |

General remarks Top size female of good type. Slightly long compared to height. Feminine head with good dark eye. Care should be taken on size, colour & front angulation when selecting a stud dog. Drops slightly on the forehand which displays a slightly unlevel topline.
