Loin	correct	Stranger approach	
Underline		Play capability	
View from front	correct	Ring of people	
Upper arm angulation	slightly steep	Character Temperament	lively

General remarks Correct size & strength, black & paling gold female with an excellent head & keen expression. Excellent body proportions with very good angulation in front & behind. She has a very good lively spirit & has a long side gait with pronounced, sound, hind drive. A female of very correct anatomy, the coat colour & wireness need to be considered in future matings.
