Wither	normal	Tail set	
Back	correct	Reaction to Gunshot	steady
Loin		Stranger approach	
Underline		Play capability	
View from front		Ring of people	
Upper arm angulation	correct	Character Temperament	of sound nerve, alert, attentive
General remarks	Almost 8 years, top size, middle strength substantial female of very good proportions, not in her very best condition due to casting. Still very good firmness at her age, very confident and steady. A very correct female ideal to be mated to most males, with an excellent breeding line for strength. Class 2 only due to hip status.
