| Coat condition           | healthy                   | Firmness of Back       | firm               |
| Undercoat                | present                   | Forereach              | good               |
| Proportions in stance    | correct                   | Hind Drive             | powerful           |
| Body                     | correct                   | Gait                   | retains outline    |
| Bone                     | medium strong             | Croup                  | short; steep       |
| Muscles                  | sufficiently strong       | Tail                   | correct            |
| Wither                   | normal                    | Tail set               | high               |
| Back                     | firm                      | Reaction to Gunshot    | steady             |
| Loin                     | correct                   | Stranger approach      |                    |
| Underline                |                           | Play capability        |                    |
| View from front          | correct                   | Ring of people         |                    |
| Upper arm angulation     | slightly steep            | Character Temperament  | lively ; confident |

General remarks Lower medium size & medium strength black & fawn female. Enthusiastic mover which emphasises her high tail set. In breeding the upper arm and the croup should have some attention.
