| Eyes                     | dark; match surrounding fur; almond  | Lower Thigh            | correct                                 |
| Upper Jaw                | strong   | Hind Angulation        | very good                               |
| Lower Jaw                | strong   | Hocks                  | correct                                 |
| Bite                     | scissor  | Soundness Behind       | true; somewhat close                    |
| Dentition                | complete; healthy; strong; correct spacing   | Firmness of Hocks      | sufficiently firm                       |
| Colour                   | black/pale gold  | Soundness in Front     | true; somewhat close                    |
| Pigmentation             | good   | Firmness of Elbows     | adequate                                |
| Coat type                | correct  | Firmness of Pasterns   | sufficiently firm                       |
| Coat condition           | healthy  | Firmness of Back       | adequate                                |
| Undercoat                | present  | Forereach              | good                                    |
| Proportions in stance    | slightly long  | Hind Drive             | effective                               |
| Body                     | correct  | Gait                   | spacious; co-ordinated; retains outline |
| Bone                     | medium strong  | Croup                  | correct length; slightly steep          |
| Muscles                  | sufficiently strong  | Tail                   | slightly long                           |
| Wither                   | normal   | Tail set               | correct                                 |
| Back                     | should be firmer   | Reaction to Gunshot    | steady                                  |
| Loin                     | slightly long  | Stranger approach      | good                                    |
| Underline                | correct  | Play capability        | very good                               |
| View from front          | correct  | Ring of people         | good                                    |
| Upper arm angulation     | slightly steep   | Character Temperament  | calm; passive                           |
| General remarks          | Top size female of medium strength, presented in not the best coat condition on the day. Slightly long in proportions & should be firmer. Open to breeding to most males regarding bloodlines, but requires a male of good overall proportions & correct size. |                        |   |
