| Head and Expression      | very strong;feminine   | Nails                  | correct                        |
| Ears                     | correct  | Upper Thigh            | long                           |
| Eyes                     | dark   | Lower Thigh            | short                          |
| Upper Jaw                | strong   | Hind Angulation        | adequate                       |
| Lower Jaw                | strong   | Hocks                  |                                |
| Bite                     | scissor  | Soundness Behind       | straight                       |
| Dentition                | complete;healthy;strong;correct spacing  | Firmness of Hocks      | firm                           |
| Colour                   | good   | Soundness in Front     | straight                       |
| Pigmentation             | adequate   | Firmness of Elbows     | adequate                       |
| Coat type                | normal   | Firmness of Pasterns   | firm                           |
| Coat condition           | healthy  | Firmness of Back       | poor                           |
| Undercoat                |  | Forereach              | good                           |
| Proportions in stance    | broad  | Hind Drive             | lacks drive                    |
| Body                     | deep;short legged  | Gait                   | good;rhythmic                  |
| Bone                     | slightly coarse  | Croup                  | short;steep                    |
| Muscles                  | unfit  | Tail                   | correct                        |
| Wither                   | flat   | Tail set               |                                |
| Back                     | soft   | Reaction to Gunshot    | steady                         |
| Loin                     |  | Stranger approach      |                                |
| Underline                |  | Play capability        |                                |
| View from front          |  | Ring of people         |                                |
| Upper arm angulation     | correct  | Character Temperament  | of sound nerve;alert;attentive |
| General remarks          | Constructionally this is a good bitch, however, her condition is very poor, overweight, soft. This must be improved before any breeding. |                        |                                |
