Wither	normal	Tail set	
Back	correct	Reaction to Gunshot	steady
Loin		Stranger approach	
Underline		Play capability	
View from front		Ring of people	
Upper arm angulation	correct	Character Temperament	of sound nerve

General remarks

Mediumsize male, black/gold with well defined sex characteristics. Typical, alert expression. Well balanced proportions with strong bone and firm muscle formation. Normal wither with correct overline. Croup is well angled but could be longer. Moves sound at all speeds retaining his shape with a strong spacious gait. Steady, sensible temperament. Could well compliment some of our larger bitches.
