Loin		Stranger approach	
Underline		Play capability	
View from front		Ring of people	
Upper arm angulation	steep;short	Character Temperament	of sound nerve;lively;alert;attentive

General remarks

Correct medium size and ideal proportioned dog of excellent general appearance. Strong, masculine typical head with correct shepherd outlook. Normal withers, very good general firmness. Good fore and very good hind quarter angulations - good movement whereby the rear drive could be more effective. Recommended for improvement of heads and desired medium size.
