Wither	normal	Tail set	<div style="width: 100%; background-color: yellow;"></div>
Back	correct	Reaction to Gunshot	steady
Loin		Stranger approach	
Underline		Play capability	
View from front		Ring of people	
Upper arm angulation	correct	Character Temperament	lively;alert
General remarks	Big, medium weight, very attractive bitch of correct type and pleasing general appearance. Good front angulation and very good hind angles, a tendency to hyperactivity, lack of ??? lead training making movement difficult to assess but is very good when she settles. Bite is correct at one side, and slightly overshot at the other. During temperament test showed slight nervous aggression. - R. A. Firth (28/04/96)
